BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. FINDINGS.

The Council finds:

- (A) City regulations allow a two-family residential use and secondary apartment special use to exist in the same zoning district with and in close proximity to a single-family residential use.
- (B) Citizens have expressed a concern that under current City regulations a two-family residential use and secondary apartment special use are often high occupancy uses that are not compatible with single-family residential development.
- (C) The Council desires to study the land use regulations that are applicable to a two-family residential use and secondary apartment special use.
- (D) To protect the general health, safety and welfare of its citizens and to preserve the nature and character of single-family residential areas in the City, it is necessary to prohibit the development of additional two-family residential uses and secondary apartment special uses in single-family residential areas and to maintain the status quo until completion of a study and staff recommendations regarding appropriate development regulations for a two-family residential use and a secondary apartment special use.

PART 2. DEFINITIONS.

In this ordinance:

1 (1) DIRECTOR means the Director of the Watershed Protection and
2 Development Review Department.

6 (b) the lot on which the use is located has more than:

7 (i) 45 percent total impervious cover; and

8 (ii) 40 percent building coverage.

9 **PART 3. DEVELOPMENT LIMITATIONS.**

10 (A) Except as otherwise provided in this ordinance, a City official may not
11 approve a building permit to:

21 (2) For a two story unit:

22 (a) the maximum building footprint of the ground floor is 425 square
23 feet; and

24 (b) the maximum square footage of the second story is 425 square feet.

25 (C) A person may file an application for a waiver and building permit to construct
26 high occupancy use. The building permit application expires if a waiver is not
27 granted by Council under Part 4 of this ordinance.

28 (D) Subsections (A) and (B) do not apply to:

- 1 (1) an application for a building permit to perform building, electrical,
2 plumbing, mechanical, sidewalk, or driveway repairs; or
- 3 (2) an application for a building permit that was filed before the effective
4 date of this ordinance.

5 **PART 4. WAIVER.**

- 6 (A) The Council may waive by resolution a development limitation in Subsection

- 11 (B) The applicant for a waiver must prove all facts necessary to satisfy the criteria
12 in Subsection (A).
- 13 (C) An application for a waiver must be filed with the director on a form provided
14 by the director and must include the following information:
 - 15 (1) the name and address of the applicant;
 - 16 (2) the address and legal description of the property;
 - 17 (3) evidence to support the criteria in Subsection (A); and
 - 18 (4) other information that the director may reasonably require to evaluate the
19 waiver application.
- 20 (D) The director shall make a recommendation to the Council on each application
21 for a waiver. Before acting on a waiver, the Council shall hold a public
22 hearing and provide notice of the public hearing under Section 25-1-132(B)(2)
23 (*Notice of Public Hearing*) of the City Code.

24 **PART 5. EXPIRATION.**

25 This ordinance expires at 12:01 a.m. on September 27, 2004.

26 **PART 6. EMERGENCY.**

27
28 The Council finds that the continued development of high occupancy uses in proximity to
29 single-family residential development would impede the Council's efforts to examine
30 land use issues concerning high occupancy uses and that this constitutes an emergency.

1 Because of the emergency, this ordinance takes effect immediately on its passage for the
2 immediate preservation of the public peace, health, and safety.
